Are indoted and prescribed by more leading Physicians than any other tonic or stimulant now in use. They are A SURE PREVENTIVE for fever and Ague, intermittents, Billiousness, and all disorders arising from Massmatic causes. They are recommended as an anti-dyspeptic and in case of indigestion are invaluable as an Appetizer and Recuperant, and in case of General Debality they have never in a single instance failed in producing the most happy results. They are particularly BENEFICIAL. TO FEMALES, strengthening the body, invigorating the mind, and giving tone and classicity to the whole system. The HOME BITTERS are compounted with the greatest care, and no fomestimulant has ever been offered to the public SO PLEASANT TO THE TASTE, and at the same time combining so many remedial agents. And Gay Time. some time combining so many remedial agents, indorsed by the medical fraternity as the best known to the Pharmacoperia. It costs little to give them a fair trial, and EVERY FAMILY SHOULD HAVE A BOTTLE. We sak every one to read the following certificates from many of the most eminent physicians in the country. cates from many of the most eminent physicians in the country

Sr. Lours, July, 1870.—James A. Jackson A. Co. tentlemen—As you have communicated to the medical profession the recipe of the "Home Bitters," it cannot, therefore, be considered as a secret or patent medicine, no patient having been taken for it. We have examined the formula for making the "Home Bitters, and unbesitatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they I clong, being highly I lone, Simulant, Stomachic, Carminative and slightly I axaive, a time mole of preparing them is strictly in accordance with the rules of pharmacy. Having used them, seen its effect in our private practice, we take pleasure in recommending them to all persons desirous of taking Bitters, as being the best Tonic and Simulant now offered to the public. with a load of yellow-fever corpses—
